Sound

AUDIO CDS AND MORE

AUDIO CDS

We transfer audio cassettes, 1/4-inch audiotapes*, vinyl records, MiniDiscs, and MicroCassettes to audio Compact Disc — perfect for preserving the sounds of family reminiscences, baby's first words, musical performances, instruction, lectures, meetings, depositions, and other audio recordings.

* 1/4 -inch audiotapes must be 3 3/4 ips or 7 1/2 ips speed.

PACKAGES (audio cassettes & 1/4-inch audiotapes)

BASIC: *Ideal for meetings, memoirs, and event recordings*

Transfer up to 65 minutes of content from a single audio cassette or 1/4-inch audiotape to an audio CD. We process your audio (up to 65 minutes) for maximum clarity to reduce tape noise. We print a b&w text label onto the CD and insert into a slimline jewel case \$29

Copies (each; quantity discounts available)\$10

ENHANCED: *Ideal for music or other recordings requiring precise track breaks*

In addition to above, we manually create up to 20 tracks \$35

Copies (each; quantity discounts available)\$10

CUSTOM: *Ideal for gifts and recordings you'll listen to frequently*

In addition to above, your label will contain a color photo (from your digital file or photo print) plus individual track names \$45

Copies (each; quantity discounts available)\$13

* Prices and specifications subject to change without notice. Prices do not include sales tax. Payment methods: cash, check, and (with restrictions) MasterCard/VISA/Discover. All work is C.O.D. unless prior arrangements have been made. All work guaranteed for 30 days.

Vision

Photo DVD Slideshows

Perfect for preserving memories of loved ones, vacations, holidays, anniversaries, weddings, children's parties, and other occasions.

Available in either traditional 4:3 or widescreen 16:9 versions!

BASIC DVD SLIDESHOWS: *Ideal for simple photo presentations such as household inventories, vacations, archiving, and events*

You provide your numbered digital photos to us (*no prints or slides*) as files on CD-ROM, thumb drive, or data DVD, along with your music. We place each photo in sequence into a slideshow onto a video DVD. Each photo will be shown in its entirety, without cropping or rotating.

The slideshow is programmed to automatically start playing upon disc insertion, as an endless loop, and timed to play the length of your music. We place basic dissolve transitions between slides. (We can provide specially composed, non-vocal music for a small fee; see *Add-Ons*.) We print a color text-only label onto your DVD and insert it into a slimline jewel case.

(We suggest a slide advance rate of about 12–15 slides per minute, so each music selection should be about 3 ½ minutes long for each 50 slides.)

Up to 50 photos.....	\$65
Up to 100 photos	\$95
Up to 150 photos	\$115
Up to 200 photos	\$125
Up to 250 photos	\$135

Copies (each; quantity discounts available) \$12

(for larger quantities, please inquire)

* Prices and specifications subject to change without notice. Prices do not include sales tax. Payment methods: cash, check, and (with restrictions) MasterCard/VISA/Discover. All work is C.O.D. unless prior arrangements have been made. All work guaranteed for 30 days.

ENHANCED DVD SLIDESHOWS:

Ideal for slideshows from prints, slides, and digital files

We scan and auto-process your photo prints or 35mm slides. (Digital photos will be counted as 1/2 a print.) We place each photo in sequence into a slideshow and program it to run on a video DVD. The slideshow is timed to play the length of the customer's provided music selection with exciting transitions between slides. (We can provide specially composed, non-vocal music for a small fee; see *Add-Ons*.) Includes a main menu to start the slideshow. We print a color text-only label onto the disc and insert into a slimline jewel case.

ENHANCED 35

Includes up to 35 photo prints or 35mm slides. (Digital photos may be included and will be counted as 1/2 a print.) \$100

Copies (each; quantity discounts available) \$12

ENHANCED 75

Includes up to 75 prints or 35mm slides. (Digital photos may be included and will be counted as 1/2 a print.) Also adds 1 additional music selection \$150

Copies (each; quantity discounts available) \$12

ENHANCED 120

Includes up to 120 prints or 35mm slides. (Digital photos may be included and will be counted as 1/2 a print.) Also adds 2 additional music selections \$195

Copies (each; quantity discounts available) \$12

ENHANCED ADD-ONS:

- ❖ **Additional prints/slides** each \$2.75
- ❖ **Additional customer digital files** each \$1.50
- ❖ **Music (specially composed for multimedia; average length 3-5 minutes)**
..... per selection \$5.00
- ❖ **Captions or title slides** each \$2.00
- ❖ **Design/print a custom photo label** first: add \$20.00 each add'l print \$5.00

TO PREPARE YOUR PRINTS OR SLIDES FOR SCANNING: All **prints** must be numbered sequentially in pencil on the back. Damaged prints can be retouched for an additional charge.

All **slides** must also be numbered sequentially, removed from any albums or trays, and stacked in order in piles of 50 or fewer. (Secure all stacks with rubber bands or paper wrapping.) All slides must be oriented in the **SAME** direction, e.g., □ or □, regardless of their proper orientation for viewing. Place the lowest numbered slide on the **TOP** of the stack, and make sure all slides have their shiny side **UP**. (Please note: some slide mounts may require special handling and additional fees; you will notified prior to incurring any charges if your slides need special handling.)

* Prices and specifications subject to change without notice. Prices do not include sales tax. Payment methods: cash, check, and (with restrictions) MasterCard/VISA/Discover. All work is C.O.D. unless prior arrangements have been made. All work guaranteed for 30 days.

CUSTOM DVD SLIDESHOWS:

Ideal for special occasions, gifts, memorials, archiving, and keepsakes!

A very special, premium product — the kind of memory media your precious memories deserve! We start with our Enhanced package and then customize your slideshow. We manually crop and adjust each image, touching up any significant flaws in order to maximize impact and best fill your TV frame. We include specially composed music with no distracting lyrics (unless you prefer to provide your own music on CD.)

The Custom slideshow also includes custom “Hollywood” style transitions and effects, plus title slides or captions. We include all your photos on a DVD-ROM partition of the DVD. We also create an animated main menu (with music) and we print a color photo label!

CUSTOM 35

Includes up to 35 prints or 35mm slides. (Digital photos will be counted as 1/3 a print.) Includes 2 title slides/captions. Average length: 3-4 minutes.).....\$175

Copies (each; quantity discounts available) \$13

CUSTOM 75

Includes up to 75 prints or 35mm slides. (Digital photos will be counted as 1/3 a print.) Adds 1 additional music selection, 1 additional title slide/caption. (Average length: 6-7 minutes.)\$299

Copies (each; quantity discounts available) \$13

CUSTOM 120

Includes up to 120 prints or 35mm slides. (Digital photos will be counted as 1/3 a print.) Also adds 2 additional music selections, 2 additional titles/captions. (Average length: 12-13 minutes.)\$399

Copies (each) \$13

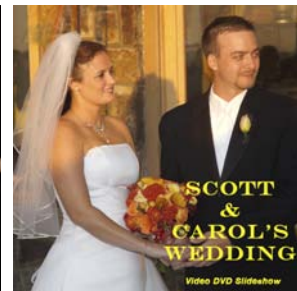

CUSTOM ADD-ONS:

- ❖ **Additional prints/slides** each \$4.25
- ❖ **Additional customer digital files** each \$3.25
- ❖ **Place video clips into slideshow** inquire
- ❖ **Custom-printed color jewel case insert**
..... add \$20 for design, \$3 each for printing
- ❖ **Gift Box album w/color photo sleeve** (design, printing, insertion)..... first pkg. add \$25
additional packages (printing, insertion)each, add \$7.50
- ❖ **Additional captions or title slides** each \$2.00

* Prices and specifications subject to change without notice. Prices do not include sales tax. Payment methods: cash, check, and (with restrictions) MasterCard/VISA/Discover. All work is C.O.D. unless prior arrangements have been made. All work guaranteed for 30 days.

HI-DEFINITION SLIDESHOWS:

Ideal for displaying quality images on HD screens and devices!

Our top-of-the-line slideshow product! We produce your Enhanced or Custom slideshow in the widescreen 16x9 *HD* format, and then burn it to either a dual-layer standard DVD or a Blu-Ray disc. Either format will play on a standard Blu-Ray player, but the Blu-Ray disc will hold a longer, more complex slideshow (though at higher cost).

now available in stunning

HD
HIGH DEFINITION

HD slideshows require that your digital photos be of higher resolution than for our standard slideshows. Preferably, your images will also be in the horizontal (landscape format), meaning wider than they are tall. Please contact us for details.

To upgrade to an HD slideshow released on a **dual-layered standard video DVD**, add 20% to the cost of either your Enhanced or Custom slideshow.

Copies (each; quantity discounts available): add \$3 to the cost of Enhanced or Custom copies.

To upgrade to an HD slideshow released on a **Blu-Ray disc**, add 20% to the cost of either your Enhanced or Custom slideshow, plus \$25 for the first (master) disc.

Copies: add \$10 to the cost of Enhanced or Custom copies.

~~~~~

*NOTE: Please call for latest costing.*

## 35MM SLIDE SCANNING

We blow off any dust and scan your slides using ICE technology to ensure optimum dust-free scanning. Each slide is properly oriented, cropped, and optimized. We deliver the scanned photos as TIFF files on data DVDs with a text label. (JPEG versions also included.) Other file formats available on request; *minimum order: \$35.*

To obtain files suitable for smaller prints, slideshows, or Web sites, we recommend 2000 dpi scanning (smaller size). To obtain files that can be printed to a larger size, or for archiving of your more special photos, we recommend 4000 dpi scanning (larger size).

|                               |             |
|-------------------------------|-------------|
| 2000 dpi – qty. 1-499 .....   | each \$0.79 |
| 2000 dpi – qty. 500-999 ..... | each \$0.69 |
| 2000 dpi – qty. 1000+ .....   | each \$0.59 |
| 4000 dpi – qty. 1-499 .....   | each \$1.04 |
| 4000 dpi – qty. 500-999 ..... | each \$0.94 |
| 4000 dpi – qty. 1000+ .....   | each \$0.86 |

### ADD-ONS:

- ❖ Copies of any slide CD/DVD, with text label..... each \$10
- ❖ Slideshow of scanned files.....inquire
- ❖ Scanning of non-35mm slides at 3000 dpi ..... each \$1.10

**TO PREPARE YOUR SLIDES FOR SCANNING:** All slides must also be numbered sequentially, removed from any albums or trays, and stacked in order in piles of 50 or fewer. Group slides according to scanning resolution (2000 or 4000 dpi.) (Secure all stacks with rubber bands or paper wrapping.) All slides must be oriented in the SAME direction, e.g., □ or □, regardless of their proper orientation for viewing. Place the lowest numbered slide on the TOP of the stack, and make sure all slides have their shiny side UP. (Please note: some slide mounts may require special handling and additional fees; you will notified prior to incurring any charges if your slides need special handling.)

## PHOTO PRINT SCANNING

We scan each photo at a resolution to allow an 8x10 print at 360 dpi. Each photo is oriented properly, cropped, and optimized. We deliver the scanned photos in TIFF format on a CD-ROM or data DVD with a text label and jewel case. (JPEG versions also included.) Other file formats available on request; quantity discounts available. *Minimum order: \$35.* .....each \$1.95

### ADD-ONS:

- ❖ Copies of any photo CD/DVD, with text label..... each \$10
- ❖ Slideshow of scanned files.....inquire

**NOTE:** All prints must be removed from albums and numbered before submission. Improperly prepared materials may incur an hourly charge of \$45.

\* Prices and specifications subject to change without notice. Prices do not include sales tax. Payment methods: cash, check, and (with restrictions) MasterCard/VISA/Discover. All work is C.O.D. unless prior arrangements have been made. All work guaranteed for 30 days.

## APS FILM SCANNING

We scan your APS film negatives using ICE technology to ensure dust removal. Each image is properly re-oriented, cropped, and optimized. We deliver the scanned photos as TIFF files on data DVDs with a text label. (JPEG versions also included.) Other file formats available on request; *minimum order: 2 cartridges; please label or number each cartridge prior to submission.*

To obtain files suitable for smaller prints, slideshows, or Web sites, we recommend 2000 dpi scanning (smaller size). To obtain files that can be printed to a larger size, or for archiving of your more special photos, we recommend 4000 dpi scanning (larger size). (Note that APS negatives are small to begin with, so we recommend 4000 dpi scanning whenever possible.)

|                               |                      |
|-------------------------------|----------------------|
| 2000 dpi – qty. 1-499 .....   | each \$0.55          |
| 2000 dpi – qty. 500-999 ..... | each \$0.45          |
| 2000 dpi – qty. 1000+ .....   | each \$0.35          |
| 4000 dpi .....                | add \$0.20 per image |

### ADD-ONS:

- ❖ Copies of any slide CD/DVD, with text label..... each \$10
- ❖ Slideshow of scanned files.....inquire

## POWERPOINT-TO-VIDEO DVD

We can convert your Macintosh or Windows PowerPoint presentation to a video DVD with menus, and even add music or combine your slides with video clips.

**Please call for a consultation to find out the best way to proceed.**

## PHOTO PRINTING & RESTORATION SERVICES

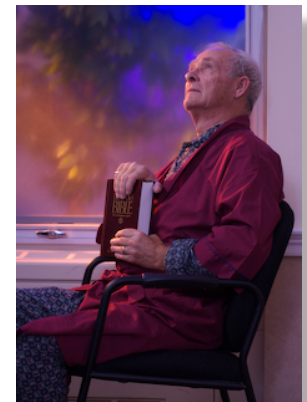

Digital Tricycle can print quality photos using long-life, archival inks at sizes of up to 17x22 inches, and can restore your precious family and historical photographs.

*Please inquire.*

## CUSTOM PHOTOGRAPHY

Digital Tricycle provides professional quality, custom digital photography to meet the needs of both consumers and business — portraits, advertising, product graphics, Web sites, event candids, and style.

We specialize in creating memorable, moving custom slideshows of wedding and other event photos — perfect for gifts or just as an easy-to-view collection of memories!

## VIDEOGRAPHY (HDV & SD), DIRECTING & WRITING SERVICES, VIDEOS ONTO DVD, DUPLICATION, AND 8MM FILM TRANSFERS

### VIDEOGRAPHY

Building on over 30 years of production experience, Digital Tricycle is able to provide a well-rounded assortment of services to business, consumers, and organizations of all types. We can provide professional digital videography in both standard definition (SD) and high definition (HDV) for TV spots, corporate/industrial videos, events, sports, documentary, medical, training, and many other types of projects for all types of audiences.

### DIRECTING & WRITING SERVICES

We have written award-winning scripts and copy, and directed film, video, radio, and live business theater, for more than 200 major corporations including publishers, manufacturers, retailers, medical firms, financial institutions, and service companies, as well as for non-profit institutions such as schools, government, and charities.

### VIDEO EDITING

We can turn your unedited camera footage from weddings, bar/bat mitzvahs, family reunions, office parties, and many other occasions into a memorable, professionally edited video production complete with music, titles, and effects sure to highlight the emotions of your event. It makes the perfect gift or memory archive for family, friends, or business associates.

Thanks to our in-house resources, combined with partnerships with other professional production firms throughout the region, Digital Tricycle is able to provide all the latest "action" services with an unbeatable combination of quality and low-price!

## BASIC TAPE-TO-DVD PACKAGES

Our DVD Packages offer slightly higher image quality than our tape-to-DVD duplication due to our use of the highest quality variable bit rate encoding. Plus, because we begin by carefully digitizing your video into our powerful computer systems, we're able to ensure a nice, clean starting and ending, and we delete any long sections of unwanted footage, thereby enhancing your viewing experience.

These packages are perfect for preserving action images of family, friends, sporting events, parties, holidays, vacations, public and private events, weddings, children's parties, and many other occasions.

### **BASIC 30:** *Ideal for home movie videos!*

Digitize up to 30 minutes of video footage from any single VHS, VHS-C, 8mm, Hi8, Digital 8, 3/4", or miniDV videotape. Adjust beginning and end of clips to delete bad frames and delete sections of undesirable footage. Generate automatic chapters at 5-minute intervals. Place onto an auto-run video DVD with an attractive "play" menu. Print text-only label onto disc. Insert into slimline jewel case. .... \$45

Add VHS copy (when ordered at the same time), each ..... \$25

**DVD copies** (each; quantity discounts available) ..... \$10

### **BASIC 60 OR 120:** *Ideal for longer home movie videos and preservation!*

Basic 60: Same as Basic 30, but includes up to 60 minutes of video footage..... \$55

Basic 120 ..... \$68

Basic 60: Add VHS copy (when ordered at the same time..... \$33

Basic 120 ..... \$39

**DVD copies** with labels and case (each; quantity discounts available)

Basic 60/120..... \$10

\* Prices and specifications subject to change without notice. Prices do not include sales tax. Payment methods: cash, check, and (with restrictions) MasterCard/VISA/Discover. All work is C.O.D. unless prior arrangements have been made. All work guaranteed for 30 days.

## ENHANCED TAPE-TO-DVD PACKAGES

Our Enhanced DVD Packages add video editing to create excitement or emotional titles/transitions and to delete “bad” footage. We also carefully insert manual chapter points, resulting in a nicely edited video program that we place onto a video DVD (with graphical main and chapter menus, with accompanying menu music). We also print a color photo label onto your disc.

### **ENHANCED 30:** *Ideal for memorial, event, and gift videos!*

**Enhanced 30:** 30 minutes of editing to create exciting titles/transitions and to delete “bad” footage, and includes up to 12 chapter points, resulting in a 30-minute edited video program ..... \$90  
 Using files from our film transfer of your 8mm film footage..... \$75  
 DVD copies with labels and case (each; quantity discounts available)..... \$13

### **ENHANCED 60/90/120:**

## DIGITIZE VIDEOTAPE TO COMPUTER FILES

Instead of converting your VHS, VHS-C, 8mm, Hi8, Digital 8, 3/4", or miniDV videotapes to DVD, we can digitize your video, converting it into QuickTime or DV computer files. This is ideal for customers wishing to edit their video themselves.

We can provide files to your specifications in most cases (e.g., for the Web, CD-ROM, portable devices, etc.).

Approximately 20 minutes of video will fit onto each single-layer DVD-R disc. (We can also place your digitized video files onto your provided external hard drive, whether its interface is Firewire 400/800, USB 2.0, or SATA.-*(Minimum cost per order: \$50. Prices based on digitizing to only one (1) format. Additional file formats available on request; please inquire at time of order.)*

| Total minutes of submitted video | Cost per finished minute |
|----------------------------------|--------------------------|
| 0–30                             | \$3                      |
| 31–60                            | \$2.50                   |
| 61–90                            | \$2.25                   |
| 91–120                           | \$2.00                   |
| 121+                             | \$1.75                   |

## RIP VIDEO FROM VIDEO DVDs

We can extract editable video from your non-copyrighted video DVDs into QuickTime, WMP, or AVI format and provide the files to you on data DVDs.

- ❖ Up to 1 hour length.....\$40
- ❖ Up to 1.5 hour length.....\$50
- ❖ Up to 2 hour length.....\$55

\* Prices and specifications subject to change without notice. Prices do not include sales tax. Payment methods: cash, check, and (with restrictions) MasterCard/VISA/Discover. All work is C.O.D. unless prior arrangements have been made. All work guaranteed for 30 days.

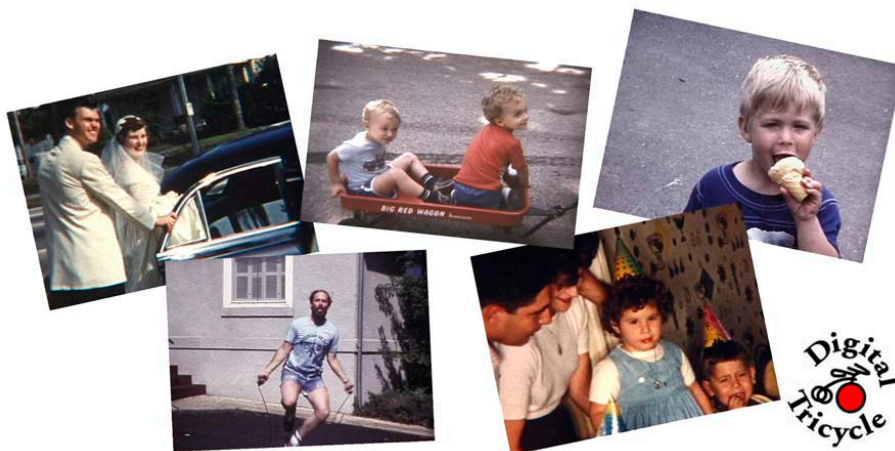

## DIGITIZE SUPER 8 OR REGULAR 8MM FILMS

Digital Tricycle captures your precious 8mm film memories using professional frame-by-frame digital transfer technology — closely monitored for quality control — that maximizes the quality of each frame, resulting in a beautiful computerized video file that can then be optimized and transferred to DVD or to videotape! Our experienced staff editors can even edit your films — deleting undesirable footage, adding titles, transitions, and music. (Inquire at time of order.)

Where others may transfer your film directly to DVD, our custom process ensures maximum quality while ensuring that you can request additional editing, music, or other enhancements *without having to re-digitize your film footage!* (Your footage will be kept on the computer a minimum of 2 months after order fulfillment.) *(Note: We accept only SILENT films only; no sound films.)*

**Note:** Orders consisting of multiple 50-foot reels (3 or more) require the purchase of one 400' reel-and-can set (\$9) for each group of (8) 50-foot reels. We will splice your films together, add leader at the head to ensure safe handling, and place the film onto the new reel to ensure safe, archival storage.

Clean, lube, and digitize your silent Regular 8 or Super8 film (includes repairing tears and broken splices, and trimming undesirable footage; *minimum order \$40*; includes Video DVD, or QuickTime files on data DVD; for quantity discounts, inquire)..... per foot \$0.24

- ❖ Place film transfers onto upgraded DVD: *see page 17 for Enhanced DVDs and pricing.*
- ❖ Reel and can (required for orders consisting of 3 or more 50-foot reels) ..... \$9
- ❖ 200-foot reel (no can)..... \$4
- ❖ Transfer digitized film files to VHS tape .....add \$20 per half-hour of film
- ❖ Archive your footage onto MiniDV videotape via digital transfer  
.....add \$25 1<sup>st</sup> ½ hour / \$15 per subsequent ½ hour \*  
\* Highly recommended for high-quality, long-term storage.

\* Prices and specifications subject to change without notice. Prices do not include sales tax. Payment methods: cash, check, and (with restrictions) MasterCard/VISA/Discover. All work is C.O.D. unless prior arrangements have been made. All work guaranteed for 30 days.
